## JUNE HAPPENINGS AND EVENTS!

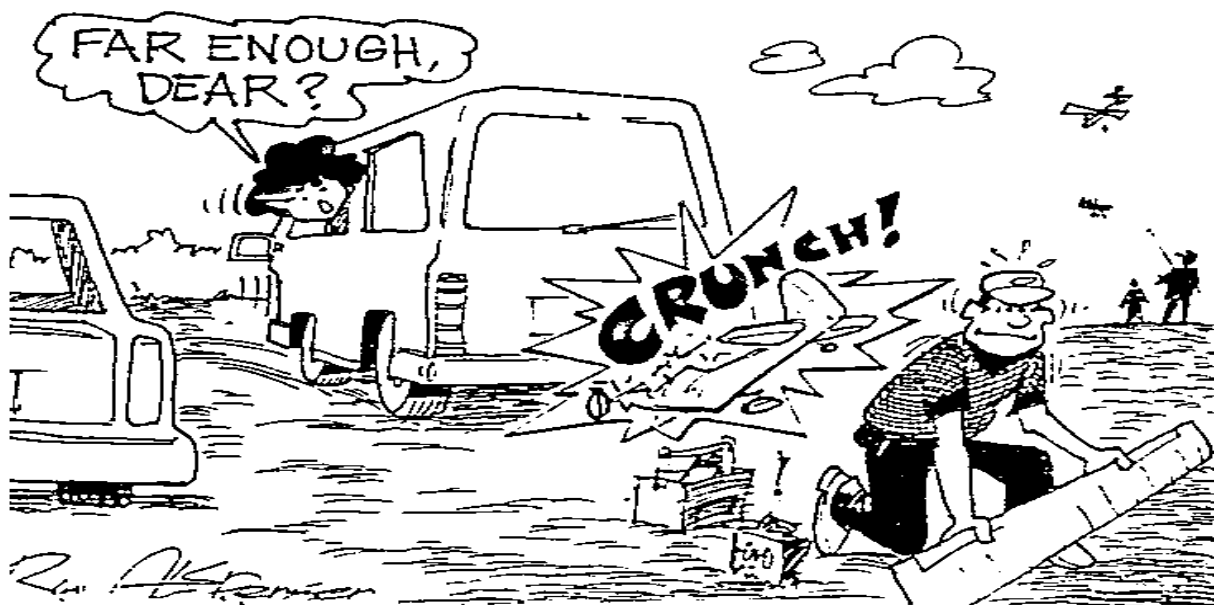

### TABLE OF CONTENTS

#### NEXT MEETING:

The next regularly scheduled meeting of the Circle City Flyers will be held on **Thursday JUNE 16**, 2016 at the Corona Senior Center located on the corner of 10th and Belle St, in Corona. Bring one of your planes to show off to

## COMING IN JULY

J.R. HOBBIES will be giving a demonstration at the field, Saturday July 23. The field will be closed to open flying between 11:00 AM and 12:30PM for this demonstration. The monthly club meeting will also be held at that time. Mark your calendars and try to attend this interesting event.

**PRESIDENT'S MESSAGE!**

Hi everyone, I hope you're having a good time flying and getting closer to buying that new plane you've been thinking about.

The meeting went well with Maxford USA and Curt Sidles did a fantastic job with his presentation. Thank you Curt. Everyone has gotten our notice for website updates and features pertaining to our website. We are trying very hard to improve usage of YOUR website so that you can have all the information regarding events and schedules that's important to our club. If you are still having trouble using it please contact me or our webmaster.

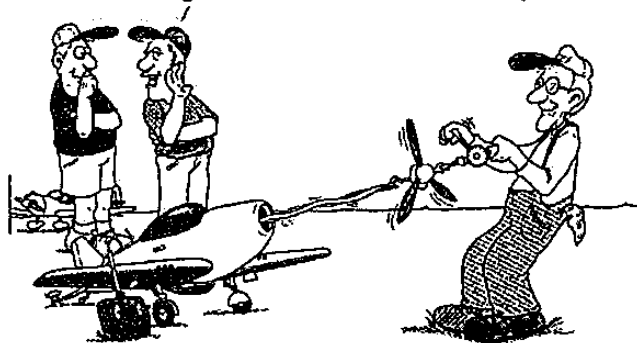

We as officers want to take this opportunity to say "thank you" for your

support. We will have a "Dawn Patrol" breakfast and a raffle June 18<sup>th</sup> 8:30 am to 10:30 am; I hope you can make it. Finally I hope you make plans to attend our monthly meetings, our new format lends to more time for fun via "plane of the month" presentation (you get a free raffle ticket) and raffle, which is a \$75 gift card to either HobbyTown or HobbyPeople, not to mention coffee and sweets. We would like you to come to the meetings and add to the fun. Also we would like to have your input so we can keep improving our club .

Thanks, see you at field,

Jesse

## We've updated the website

A couple of updates have hit the website and we wanted to take the time to tell you about them.

- Due to popular request the top blue navigation bar no longer scrolls down the page as you do. As you scroll down now your screen will not be encumbered with the navigation bar, you will need to scroll back up to the top of the page to use the navigation bar.
- New photo gallery! We have struggled with the old photo gallery and have upgraded it to a new platform. This new platform allows you to:
  - Comment on the photo's
  - Share photo's to Facebook, Twitter and Pinterest
  - Download photos that you like
  - Rate photos that you like
  - A slide show of the latest photos is on the main page.
  - New updated weather station. The new weather station gives a little more info and a 4 day forecast.

A new survey. Surveys are informal and will be put up periodically to see what the plans of the club members are. This is separate from club voting which is done in a more secure method to ensure your vote is counted.

The club **President and I** are working very hard to make sure that you get all of the latest information as soon as it is available. The best and most efficient way to do this is **to** check the website often as updates happen frequently. This is your site, and if

you have any suggestions, or difficulties using it please drop me a note.

## EDITORS COLUMN

Summer is here to stay and, in spite of the sometimes too hot weather, its better for flying than cold, damp windy days.

Events coming up with our club are also reason to celebrate. Hoe most of you will make it to the June 18th pancake breakfast celebration at the field. Guys behind the scenes when to a great effort to make it successful so don' let them down..

I for one am very excited about the upcoming events being scheduled and know about the kind of effort it takes to get these things done. To Jesse Paz, Ethan Marsh, Pat Schreffler, Dan Sitter and you other guys whose names escape me at the moment....BRAVO!!

## PLANE TRUTHS for JUNE

1. TEACH your child the love of Airplanes and aviation, and they will never have enough time or money for drugs.
