NEXT MEETING: The next regularly scheduled meeting of the Circle City Flyers will be held on **Thursday MARCH 17, 2016** at the Corona Senior Center located on the corner of 10th and Belle St, in Corona. Please be there on time so you can get your free raffle ticket, and win some cool stuff.

Minutes for February, 2016.

President Jesse Paz called the meeting to order at 7:00 p.m. at Corona Senior Center.

MINUTES Ethan Marsh read the minutes for January 2016 meeting, which were approved as read.

TREASURERS REPORT ending January 31, 2016 was approved at the meeting.

OLD BUSINESS:

Cleanup of the storage shed was again discussed. Security of the shed was discussed, and Jose Navarrette will get an estimated price for a security device to be welded or bolted to the shed doors.

NEW BUSINESS:

President Jesse Paz said we have some new members interested in drones. He also reported that Yamaha had a 200lb helicopter they would like to test at our field. He also said more approvals will probably be necessary.

It was reported that the three signs ordered last month will be installed next week.

Jesse reported that the speaker at next months meeting will be from LiPo battery, Bioenno Power.

PRESIDENT'S MESSAGE!

Hello everyone, I hope you have enjoyed the good weather lately and have gone out to the field to fly. It's been almost perfect.

The first club meeting with the new format went well. A blast from the past, Mr. Roy Minturn attended and Stan Wagner showed off his three new planes (receiving a raffle ticket). He also brought 3 GWS hats to raffle off, thank you Stan. We had plenty of donuts and coffee for the break. We were also very productive, covering many topics, voted on proposals and welcomed our new VP Daniel Sitter. We also voted to make Jamie Hamilton of HobbyTown an honorary member. The next month's meeting will have Bioenno Power, a battery manufacturer as guest speaker. So please make an effort to attend this

meeting so we can make a good showing and open the door for future guest speakers.

Last month I talked about "how to" post an ad on our website, here is my next "how to". To access the club events there are a few ways. First off, right on the home page on the right hand side of the screen above the CCF logo you will see the "Latest Events". The latest events section, as the name would indicate, shows a couple of the events that are coming up. You can click on the club meeting and it will take you to a detailed page about that event. From there you can click on: By Year, By Month, By Week, Today and Jump to month to navigate your way around the calendar of events. You can also click on the magnifying glass to the right and search for events.

Alternatively, you can mouse over on "Resources" at the top of any page, then mouse over "Events", then "Event Calendar", this will take you to the event calendar that you can navigate through the same way discussed previously. The event calendar is only as good as what is in it. So if you know of events that need to find their way to the calendar, let us know so we can get them posted. This "how to" is also posted on our website.

The day of the child is April 16th. We will have an area so we can display some of our planes and have a recruitment flyer to hand out. We plan on having some club

THE PLANE TRUTH is the Official Newsletter of the Circle City Flyers of Corona, CA. It is published monthly for the benefit of its members. Copies are also provided to other interested individuals, R/C Clubs and hobby stores. Current circulation is pushing 80 Portions of the Newsletter may be reproduced without the permission of the Circle City Flyers for whatever reason. Acknowledgement of the source and author of any reprinted material is appropriate. Usually the club meets on the 3rd Thursday of each month at the Corona Senior Center and at DELEO Field whenever its members are flying. Guest and potential new members are always welcome to attend club meetings and to visit the field.

membership and AMA forms there ready to fill out, to accommodate anyone who wants to join. Please join us; contact Virgil Mink for details.

The club will now have a trainer plane and radio thanks to Rowland Tweed's donation; this is part of his proposal to attract more kids to our club and be able to train them on how to fly. Further it can be used for training those new members to the hobby. We will need experienced flyers to serve as trainers from our membership. The trainers selected will be available thru appointment only. Let Rowland or myself know if you wish to contribute your flying skills and serve as a club trainer. We would like to have at least four.

See you at the field.

Jesse

EDITORS COLUMN

Well spring is almost upon us, they days are getting longer...and warmer and we will all be out flying our new projects. I certainly hope so at least. The club has had a sort of membership crisis and hopefully more renewals will come in as well as new members entirely. With very little effort we all can do more to introduce others to our hobby. The details for the "Club Trainer" have not been finalized by the Board but by no means forgotten.

Other issues, duties and obligations have interfered with my "flying time" and that alone should serve as a reminder that first and foremost, get our priorities straight.

We'll be happier because of it. Having said that, expect to see me at the field real soon.

BE SAFE!

Roland

Motorcycle spectators standing on the berm surround the flying field was discussed. Jose Navarrette will investigate repairing cracks in the runway.

The Club will participate in Day of The Child to be held in Corona Park on April 16th.

Jesse said that Wally Mackenzie suggested that the club should appoint Jamie Hamilton and Stephanie Ellis from Hobby Town USA , Corona, as Honorary member for their support of the Club. All members present agreed.

Coffee and doughnut break, hosted by Vice-President Daniel Sitter.

RAFFLE:

Three Caps were raffled off, then Ethan Marsh won the grand prize of \$75.00.

Meeting adjourned 8:05PM.

Respectfully Submitted

Ethan Marsh

**DAYLIGHT SAVINGS TIME
WEEK-END**

AN EXTRA HOUR TO FLY!
