**PRESIDENT'S MESSAGE!**

Hello everyone, today I'd like to announce that **"I shall not seek and will not accept the nomination for President"** next year. I have done the best I could over the two years in office and I no longer have the time to give to the position. I thank membership for the opportunity to serve as your President.

Over the years that I have been in the club I have held every club office available. I have helped with many events and organized the 2014 scale event, so I have no regrets. The bylaws mandate the outgoing President serve on the Board the following year; I will fulfill this obligation. Further I will continue to assist our Webmaster; **"Old soldiers never die they just fade away."**

I suggest members find a younger candidate to run for President with fresh ideas. October is nomination month and November we vote. We need fresh ide-

as to keep this club moving forward without jeopardizing our best feature "comradery".

At our next meeting we will be discussing the results of the survey sent to members to decide which direction you want to go with field security, patch and slurry runway or do nothing. We'll also be discussing the Christmas Party. Look forward to seeing you at the meeting.

I would like to end this message with a big "THANK YOU" to Roland Tweed for giving our club such a wonderful, informative and humorous NEWSLETTER. He took it upon himself to give of his precious time in spite of illness and operations, to provide us with this award winning newsletter for five years this time around. I thank you Roland.

He built 3 new planes over the winter ....  
Ooops!....there goes Number 3!

### EDITOR'S MESSAGE

It's hard to believe that we are already in October with club elections on the horizon. Pretty much the entire executive board of the club is open for new members to be elected.

As you know, Jesse Paz, the current club president is not running for election next year. Jesse has done a fantastic job as club president over the last two years and the club is much better for it. I regret that, as club VP I did not give Jesse much help this year because of my own personal and health issues. Ethan is not running for Secretary again after years of effort and contribution to our club. We are all ever grateful for his contributions.

After more than 5 years in my second stint as Editor, I too am resigning next year as well and look forward to working with anyone willing to take over the Plane Truth as Editor.

We have been lucky over the years. There has always been someone waiting in the wings to take up the club banner and move us forward. I hope it will be the same this year as well.

Safe flying to all

ROLAND TWEED
