PRESIDENT'S MESSAGE — MAY 2019

Attention Members!!! - THE JUNE 2019 CCF BOARD MEETING WILL BE HELD AT DELEO FIELD ON SATURDAY JUNE 22th AT 11am.

Mark your calendars!!! On Saturday June 29, 2019, CCF is putting on another Fly-In & Open House event. Last year's event was a HUGE success so we are doing it again this year. This will be the 2nd Annual Fly-In event so please support your club and join us on the 29th. There will be food, music, a raffle and 2 optional fun events: a Climb and Glide contest and a Triple Loops and Rolls contest. It's going to be a day of fun, flying & comradery! All aircraft are welcome. See the flyer at the bottom of this newsletter.

Also, we're doing another Scale event in August. The Scale event this year will be held on Saturday August 17, 2019. See the event flyer in this newsletter. This event was also a huge success last year and we raised a good amount of money for the slurry fund. The scale event will include judging for BEST MILITARY, BEST CIVILIAN, BEST SCALE FOAMY & BEST OF SHOW. There will be three honorable mention medals as well. The winners last year received a memorable Circle City Flyers plaque that looked fantastic. Everyone is welcome and spectators are free. Spread the word!

It's time to make your 2019 \$50 slurry donations. Even if you cannot give \$50 all at one time, you still need to do your part. If \$10 per month for five months fits your budget better, we will gladly accept that too!

As a reminder - Starting 1/1/19, ALL pilots will need to have a type A/ B/C fire extinguisher placed in their pilot stall for easy access if needed. It needs to be out & visible, not in your vehicle. Thanks!

There will be no third Thursday of the month June meeting since we are holding the meetings on Saturdays from now on, see above.

On final approach - Rick

\$50 MEMBER DONATION SLURRY SEAL OF RUNWAY.

Effective in January 2018 all members were asked to donate \$100 to slurry seal the runway. The donation was broken in two annual payments of \$50 in 2018 and \$50 in 2019. Please donate your share so that we can do our needed runway repairs! Don't forget to pay your 2019 donation this year too!

WHAT— NO INITIATION FEE FOR NEW MEMBERS DURING 2019?

Join now and save \$60. The club initiation fee is being waived again in 2019 to new members. Spread the word to friends that might be interested in joining our hobby and our club. This is a fantastic deal.

DID YOU KNOW?

Have you wondered lately how many paid club members we have? As of 5/24 this year the number is 49. If you know of anyone who is interested in the hobby and wanting to learn to fly then encourage them to join the club!

Normal folks, who find the utmost joy in creating and flying wonderful machines that inspire awe and put just a bit of color in the sky.

CCF is a non-profit, AMA affiliated flying club.

The CCF has one of the best flying facilities in Southern California. We are located just south of Corona, California, just a few minutes from the 15 Freeway.

The club is well established and member's interests range from helicopters to 3D Planes. We fly gas, turbines, electric, glow, scale, profiles and combat wings. We have RC pilots who have flown for 40+ years, and beginners who are just learning the joys of flight. Got a question? Just learning? Curious? Come on down!

You can find folks flying most days, with the weekend mornings being very popular. Mornings are calm with winds generally increasing throughout the day.
