Hello Pilots,

What a great year it's been! We had an awesome Jet Rally, two huge Swap Meets, we put a new roof on our shade cover, we had lots of new members join and I lost count of all the exciting maidens I watched.

As we look back on 2024, we can all be proud to call Deleo Field our home. We have a great club with great members and all of us have to work together to keep it that way in 2025. Speaking of 2025, I can't believe it's that time again, please don't wait to renew your memberships! Renew now so you can get the new 2025 gate code. Don't forget that the end-of-year holiday party is on Saturday December 7th at noon, lots of pizza and another huge raffle are planned. The CCF Board and I look forward to next year and we wish you and your families a safe and wonderful holiday season.

Reminder that the CCF Christmas & End-of-Year Holiday Party is Saturday December 7th at Deleo Field at 12 noon. Flying is encouraged that morning. Lunch, drinks & RAFFLE will be the highlights. A member's +1 is also welcome to join us! The party in December will be in lieu of a December board meeting. Hope to see everyone on the 7th!!!

Since nobody else was running, your 2025 Board of Directors formality vote will take place at the Christmas party since the November meeting was canceled. Current incumbents are - President: Rick Tucker; Vice President: Eric Whitcomb; Secretary: Ethan Marsh; Treasurer: Danny Salas; Member-At-Large: Hermes Ampudia. Erich Ische will continue in the role of Webmaster and Newsletter Editor

Reminder - Circle City Flyers at Deleo Field has a NEW CLUB RULE NO FLYING BEFORE 8:30am and NO FLYING AFTER DARK.

CCF BOARD MEETINGS ARE HELD AT DELEO FIELD on the 3rd Saturday of the month at 11am. The December meeting has been canceled because we are going to have a party instead. The next meeting is on Saturday, January 18th 2025. Stay well and see you at the field!

"On final approach, - Rick"

Circle City Flyers is a group of people who love RC flying. Normal folks, who find the utmost joy in creating and flying wonderful machines that inspire, awe and put just a bit of color in the sky.

CCF is a non-profit, AMA affiliated flying club and we have one of the best flying facilities in Southern California. We are located just south of Corona, California, just a few minutes from the 15 Freeway.

The club is well established (AMA Charter est. 1990) and member's interests encompass the entirety of aviation. We fly gas, electric, glow, & electrics; Scale, 3D, and FPV; Profiles, combat wings, multi-rotors, helicopters and even a couple turbines.

We have RC pilots who have flown for 40+ years, and beginners who are just learning the joys of flight.

Got a question? Just learning? Curious? Come on down!

You can find folks flying most days, with the weekend mornings being the most popular. Mornings are calm with winds generally increasing throughout the day.
